A: ATFP believes that a peace agreement will only be possible with the capital of the Palestinian state being in East Jerusalem. There are many ways in which such an agreement can be negotiated and implemented in practice. ATFP strongly believes that the Palestinian capital must be in East Jerusalem, including because of the interests of the other Arab and Muslim countries. ATFP is not a negotiator or a party to the negotiations. ATFP will support any diplomatic agreement with Israel by the PLO, with the approval of the Palestinian people.
