Q: Who does ATFP speak for, or represent?

-  [1]

A: ATFP speaks only for itself, its [Board of Directors](#) [2] and those who willingly associate with it. It reflects the views of many Palestinians who are in favor of a two-state solution and many Palestinian-Americans in favor of engaging the American political system to advance this mission. It is not a membership or grassroots group, does not speak and does not claim to speak on behalf of, or represent, the Palestinian people, the Palestinian-American community, or anyone other than itself. ATFP also does not represent the United States government, or the [Palestinian Authority](#) [3] or the [Palestine Liberation Organization](#) [4].
