[BACK TO STAFF PAGE](#) <sup>[1]</sup>

Joseph Brown is a student of International Relations and Arabic at the London School of Economics and Political Science. The LSE is a highly politicised university renowned for its outspoken Student's Union. As an active member of the Palestine Society there, Joseph has campaigned for a just resolution to the Israel-Palestine conflict on campus and across the United Kingdom. Once he has come to terms with the complexity of the Arabic language he plans to travel widely across the Middle East, although he will always call London his home.
